Stony Brook Cancer Center

# Message from

**Judi Fortunato and Barney Fortunato, Jr.**  
*Co-Chairs, Golf Committee*

Fortunato Sons Contracting has proudly partnered with Stony Brook University Cancer Center as the Presenting Sponsor for a unique opportunity to make an impact for people with cancer on Long Island and beyond. Our vision is to assist Stony Brook Cancer Center's unique ecosystem through funding clinical trials to change how we manage cancer for generations to come.

The **Cancer Center Golf Classic** will support the funding for clinical trials of new, more effective, targeted treatments for cancer. Right here at home, we will help save lives with a goal of finding new ways to eliminate this invasive disease and preventing recurrence by aiding in the development of innovative therapies to help patients.

We invite you to participate through golf play, sponsorship, raffle donor or as a dinner guest, by funding cancer clinical trials which will be provided at the Medical and Research Translation (MART) building at Stony Brook Medicine and the Phillips Family Cancer Center at Stony Brook Southampton Hospital. Your contribution can help change the face of cancer care on Long Island and beyond.

**The Cancer Center is on the cusp of a transformational cancer movement, with advanced technology, a state-of-the-art facility for research and clinical care, and a renewed national focus on the disease.**
